Each set is provided as colour pdf file for printing with between 6 and 16 posters per set they are ideal for training and the operator reference.

Surface Mount Placement & Soldering Standards  
BGA Optical Inspection & Defect Guide  
Lead-Free Solder Paste Printing & Control  
Surface Mount Component Solderability Testing  
Lead-Free Reflow & Profiling Guide  
Lead-Free PPM Monitoring Assembly Process  
Lead-Free Solder Joint Inspection & Defect Guide  
Conventional Assembly & Soldering Standards  
PCB Manufacturing Defects  
Wave Soldering Defect Guide  
Surface Mount Component Recognition  
Surface Mount Assembly Defect Guide  
Ball Grid Array X-Ray Inspection & Defect Guide  
Conventional Wire Termination Standards  
Hand Soldering & De-Soldering Guide  
Basic PCB Manufacture Process Guide  
Static Control Awareness Guide  
Pin In Hole Intrusive Reflow Assembly Standards  
Conventional Through Hole Component Recognition  
Printed Board Microsection Reference Guide

Each set is £45 plus £45 + VAT in Europe
